FIRST BAPTIST CHURCH MUNCIE // VOLUME 78 // ISSUE 3 // JULY 2024

THE VISITOR *FOCUS*

Bible School Theme is "On the Case"

During Vacation Bible School July 14-18, 35 children learned that growing spiritually doesn't have to be an unsolved mystery! The kids dug into a few of Jesus' parables to solve mysteries of how to grow their faith, how to care for, serve and love others.

More than 40 volunteers ranging from "detectives" and crew leaders to snack makers and craft leaders helped in the four-day learning process and the final-day picnic carnival.

Jenny Durke, children's ministry coordinator on the Church Coordination Team, said, "Putting on this program was a lot of work for volunteers, but VBS is important work for children and our church."
